Zuercher Zeitung," Berne (says
Reuter and Associated Press),
stated that the Encyclical which
had been expected to mark the
third anniversary would probably
not be issued, nor, probably, would
a Consistory be held, despite the
fact that 19 seats are vacant in
the College of Cardinals, now num-

many years.

ATHEA WOMAN'S DEATH.

It is with deep regret that the
people of Athea have learned of
the death of Mrs. William Woulfe,
Keale, Athea. The deceased lady,
who had reached an advanced age,
belonged to a most respectable
family and was always esteemed
and respected in the district.
Throughout her long life she always
enjoyed excellent health and
among no section of the commu-
nity has the passing of this vena-
ble woman evoked more genuine
sorrow than among her own neigh-
bours, to whom she was so long a
familiar figure. To her children
and grandchildren the sincere sym-
pathy of the public is extended for
the bereavement they have suffered.

**CHAMBER OF COMMERCE
REPORT.**

(To the Editor "Limerick Leader")
Dear Sir—Owing to an error it
was inaccurately reported that the
Chamber of Commerce passed a
resolution:—

"That we suggest to the Govern-
ment the advisability of financing
abnormal expenditure due to the
present emergency by loans rather
than by increased taxation."

The actual position is that con-
sideration of this matter was de-
ferred to a special meeting. Yours
truly,

J. O. POWER,

Secretary, Chamber of Commerce.

SCHOOLS HURLING.

In the final of the City Schools
junior hurling competition (O'Mara
Cup), played at the Cloughaun
Field on Wednesday last, St. Mun-
chin's College defeated Limerick
C.B.S. on the score of 5 goals to 3
goals 2 points. It was a well-con-
tested game with brilliant hurling
being the order. The college boys
fully deserved victory but were
hard pressed in the concluding
stages of the game.

(A descriptive account of the
match will appear in Monday's

during the night. Extensive dam-
age is claimed. Eight planes failed
to return.

The Berlin version says that little
damage was done. Civilian prop-
erty was destroyed and there were
some casualties. Three of the at-
tacking planes were shot down.

A Vichy despatch says that the
s.s. "Queen Mary" has arrived at
Rio de Janeiro, having on board
10,000 British and American troops.
The vessel has left for an unknown
destination.

NOTED JESUIT

—oo—

**WAS DIRECTOR AT
LIMERICK**

The death has occurred at St.
Xavier's, Upper Gardiner Street,
Dublin, of Rev. Martin Maher,
S.J., one of the best known mem-
bers of the Jesuit Community.
Born in Paulstown, County Kil-
keny, Fr. Maher was educated at
Knockbeg College, Carlow, and St.
Stanislaus College, Tullamore. In
1879 he entered the Society of
Jesus at Milltown Park. On the
completion of his theological
studies he was ordained in Gar-
diner Street, in 1894, by the late
Archbishop Walsh. He was form-
erly Rector of the Sacred Heart
College, Limerick; the Novitiate,
St. Stanislaus College, Tullamore,
and the House of Higher Studies,
Milltown Park, over a period of 20
years. He was Assistant Provin-
cial for six years at Gardiner St.
Since 1933 Father Maher was at-
tached to Gardiner Street.

**STAGE ATTRACTION FOR
SAVOY.**

Scintillating with stars will be
"Melodytime," at the Savoy all
next week. Tom O'Connor, tenor;
Nancy Anderson, contralto, and
Patty Ryan, soprano, in "Gems
From The Operas" will provide a
rare musical treat and will also
contribute many other musical tit-
bits. First time in Limerick will
be Jimmy Harvey, comedian,
whose original and very novel per-
formance will be uproarious.
"Evening In Tir-na-nOge"—a
fantasy of St. Patrick's trip with
Oisín to the Land of Youth, is a
lavish interpretation of the famous
old legend. The O'Rourke Dancers
and the Christian Brothers Boys
Choir, with dances and songs,
make this one of the outstanding
attractions of the year. Tremend-
ous interest has been aroused by
the first appearance of Stanley
Bowyer at the Savoy organ. This
