

present emergency, as a very necessary legislative measure, but the sale was a small one, but the Justice took a serious view of the case, and he (Justice) would not do his duty if he did not take a serious view of it. If a man were more money than his neighbor, that was no reason why the defendant should not be able to procure the money needed at the price he was willing to pay. He would impose a fine of £1 on each summons against the defendant, with 33/- expenses, and would dismiss the case against the defendant.

WILFUL PROSECUTIONS.
The Fishery Board summoned Nora Griffin, Muine, Doon, for a salmon unlawfully in possession during the close season and for selling a fish with- out a license.

Blood-Smyth, solr., prosecuted that on the 12th December 1942, Breen went to the Brothers' School at Doon, where he discovered a salmon had been purchased from the defendant. The housekeeper at the school, Mrs. Johanna Fox, made a statement to this effect and had been summoned to the Court, but she did not turn up.

The defendant's father said that she was committing the offence. The Justice said—People in institutions should not lend themselves to dealing in poached salmon and if they are summoned to attend Court they should do so.

A fine of 3/-, with 20/- costs, was imposed on the defendant.

THEFT ON RIVER BANK.

Ryan, Shanagolden, Cappamore, was summoned for having in his possession on the banks of the Gloscha River for the purpose of catching salmon, and Michael Wallace, same place, was summoned for having a spear.

The defendant was fined £1 with 10/- expenses.

A P.O.A. was applied in a case against Patrick Gleeson, Kyle, for throwing stones into the Gloscha River for the purpose of catching salmon.

Cunningham, Knocknacarry, and Michael McNamara, Gurtin, were summoned for throwing stones into the Mulcaire River for the purpose of catching salmon. The latter was also charged with having a gaff spear in his possession.

S. Gaffney, solr., defended. The Justice dismissed the cases against the defendant.

A fine of £2, with 20/- costs, was imposed on Thomas Griffin, Muine, for being summoned for "beating" the Gurtinageera river for the purpose of catching fish.

A fine was imposed on O'Connor, same address, for having a spear in his possession. The defendant was also ordered to pay 10/- costs.

CELLANEUS CASES.

For having an unlicensed bull in possession, Patrick Mulcahy, Gough, Kiltteely, was fined 10/-, with 10/- costs.

M. Mitchell, solicitor, defended. Breen, Kiltteely, was summoned for failing to stamp Health cards of an emulsion within the specified time.

For prosecuting, said that the defendant had now been fully fined. Gleeson, Doon South, and Kilbride, Toomaline, Doon, were fined 10/- each for cutting without permission.

Loughman and James Sinkans Terrace, Doon, were charged with the larceny of a quantity of potatoes, the property of Carew, Doon.

The defendants pleaded guilty, and the Justice imposed a sentence of 14 days imprisonment, not to be taken if they kept the peace for 12 months.

CONGRATULATIONS TO PLOTHOLDERS

The Parish Council provided 20 plots for plots with one-eighth acre and the defendant provided free of cost of seed potatoes and 1 cwt. of fertilizer for each plotholder. The defendants, all unemployed and people, were congratulated for their early Mass in Glin on Sunday.

In a similar case heard before Judge Davitt at Dublin recently the Justice dismissed the case against the publican, who had given orders that nobody was to be admitted during his absence.

Justice—That was a very far-reaching decision.

COULD ADJOURN FOR PARTICULARS.

Mr. O'Donovan said he had just heard about the case recently and if the Justice wished he could adjourn the present prosecution until he (Mr. O'Donovan) could produce particulars of the case referred to.

The Justice said he would proceed with the evidence and then adjourn the case.

Guard Hurley said that on the 17th March, at 1.20 p.m., he observed a stationary motor car outside defendant's premises. He saw three men getting out of the car and entering the premises by the hall door. Witness entered by the hall door and found the three men in the kitchen. They had no drink but when witness went into the bar he found fourteen men there drinking. The premises were in charge of Christina Goggin, the barmaid, who did not give any excuse for the presence of the men.

In reply to Mr. O'Donovan, witness said that the general character of the premises was good.

DEFENDANT'S EVIDENCE.

Mrs. McKnight, the defendant, said that before leaving the premises the previous Sunday she told the barmaid not to open the bar on St. Patrick's Day, and on her way into the city she told a Miss Wallace, to whom she gave a seat in her car, to tell the barmaid not to open the premises.

Superintendent Cooney said that the licensee was responsible for the action of her servant.

Miss Mary Wallace said that on the Sunday prior to St. Patrick's Day she met defendant, who gave her a seat, and who asked her to tell the barmaid not to open the premises on St. Patrick's Day. She also said that she would not be home until St. Patrick's night.

THEY PERSISTED.

Christina Goggin, who was in charge of the premises, said that before Mrs. McKnight left on the Sunday she ordered witness not to open the premises on St. Patrick's Day, and later sent word by Miss Wallace not to open. On St. Patrick's Day a knock came to the door and when she opened it a crowd of men asked her for a drink. She refused, but as they persisted in their request she decided to give them one drink.

ADJOURNED.

This concluded the evidence, and the Justice decided to adjourn the case to Ballyneety Court on May 7th to give Mr. O'Donovan an opportunity of getting particulars of the case referred to at the outset.

DIED IN NEW YORK

POPULAR CO. LIMERICK MAN

Many friends in County Limerick who knew Michael Myers, a native of Castletownconyers, who resided in New York, will be grieved by the news of his death on February 19th, after a brief illness (writes a New York correspondent). There was a large attendance at the funeral, which was held on February 23rd, with a Solemn High Mass of Requiem, which was celebrated at Holy Name Church, 96th Street and Amsterdam Avenue, New York, at 9.30 o'clock. After the Mass, interment was made in the family plot in Calvary Cemetery, Long Island City.

Mr. Myers cherished a deep affection for the land of his birth. Since he left Ireland in his early manhood he re-visited it 17 times.

He retired from business several years ago and spent a great deal of his time doing acts of kindness for his many acquaintances.

The surviving relatives are his son, John J. Myers, a lawyer, who is secretary to Judge Owen W. Bohan of the Court of General Sessions of New York County; a brother, Patrick C., who resides in New York City, and another brother, John J., of Castletownconyers.

AN APPRECIATION.

Michael Myers died suddenly from a heart attack at his residence, 178-16-75th Avenue Jamaica, February 19th, 1942. He was 68 years old and lived in the United States ever since he was a boy. He was born in Castletownconyers, Co. Limerick, and was one of a large family. Emigrating to the United States about fifty years ago, he became an electrician and worked for a great many years in the Middle West and in the city of Chicago. After the World's Fair in Chicago in 1893, he came to New York City, and was in the hotel industry for many years with his brother Patrick. He subsequently went into the building and garage business and retired from all activities a couple of years ago.

Mike Myers, as he was affectionately known, had a great desire to live in the place where he was born, and was an annual visitor to the old home during the past 20 years. All told, during his stay in America, he made seventeen visits to Ireland and travelled extensively through it. He left surviving him one son, John Myers, who is a law clerk and private secretary to Mr. Justice Bohan of the Court of General Sessions.

Mr. Myers' wife died when his son was in infancy. He took him to Ireland when he was five years of age and he was raised and educated there up to the time that he was eighteen, when he returned to the United States.

The late Mr. Myers was buried from the Church of the Holy Name, where he was married, and a Solemn High Mass of Requiem was said for the happy repose of his soul. The funeral was attended by relatives and well-wishers, many of whom were prominent in the public life of New York City.

The writer of this tribute to the memory of Michael Myers knew him intimately for more than 30 years in New York City and scarcely a week passed that they did not meet to discuss things in and around the place where they were born, and the problems that affected the old land generally. He was a good Irishman and faithful friend.

In "Topper Returns," Cosmo Topper again manifests his sometimes embarrassing fascination for ghosts, and the lovely, shapely spirit which haunts him this time is Joan Blondell as the unearthly Gail Richards.

DOG OWNERS WARNED

A warning that in future all defendants would be fined by District Justice B.L., at Pallasgreen Court Tuesday, when a number of people were summoned for having licensed dogs in their possession. In cases before the court the licences had been taken since the issue of the summons. The Justice applied the Probation Act, but said that this plea would not be accepted in future. The Government had fixed the fine to be imposed on such defendants at £2 and he (Justice) had power to reduce that to 10/- and consequently dog owners would be well advised to license their dogs immediately.
