Wednesday, April 22nd:—Cattle — Normal numbers; the entry included useful drafts of stores. Buyers in full attendance. Beef, fair supply; heifer and bullock beef active demand, with a free sale at advanced rates, ready exchange, with competition. Young cows also came in for attention. Stores with age and condition found willing purchasers. In young stores, two year old heifers, especially nice roans and greys, were freely bid for and made top rates; prime bullocks with condition and quality easily placed. Trade for best drafts favourable to vendors. Amongst yearlings, heifers and bullocks with shapes and colour in keen request at top values; prices well maintained with a firm tendency. Good steady trade all round for useful sorts, with a free sale at previous money. Business in general worked out around last week's terms. Market well cleared. Fat bullocks and heifers, best, £35 to £37 5s.; small, £20 10s. to £24; fat cows, best, £25 to £30; second run, £12 to £17 10s.; three year old bullocks and heifers, stores, £20 10s. to £25; two year old heifers and bullocks, best, £18 to £21; second run, £13 to £16 2s. 6d.; yearlings, best, £8 17s. to £11 17s. 6d.; second run, £7 to £8 10s.

**Sheep**—Increased numbers as compared with last week; a good show of mutton; offers firm and ready for best pens and sales easily effected; however, previous full rates were hard to repeat; anything with quality and condition had buyers. All round, enquiry well sustained; a healthy tone. Good support for useful, well fed sheep; buyers operated freely. Prime hoggets quickly taken up; ready exchange at satisfactory terms. Young ewes with condition sold well. Fat lambs a good trade. Business wound up strong and market practically cleared.
