

£22 15s. to £23 10s.; second run, £21 to £22 10s.; others, £19 5s. to £21; small, £14 to £17 5s.

Stores—Entry in this department well up to previous high levels, but bidding was quiet and vendors did not accept prices offered in the "ring" in a good many cases; but with a big number of cattle which passed through the "ring" unsold having been sold later, a satisfactory clearance with a heavy turnover was effected. Two year old heifers and bullocks, medium, £14 5s. to £17; second run, £12 15s. to £13 10s.; others, £10 17s. 6d. to £11 15s.

Yearlings—This department also showed a slight easing off in prices; fair selling trade; good heifers and bullocks were, however, easily sold. Heifers and bullocks, best, £8 10s. to £10 7s. 6d.; second run, £7 10s. to £8 2s. 6d.; small, £6 10s. to £7 2s. 6d.

The sale of timber and some farm implements before the cattle sale attracted many bidders, and some very high prices were obtained, especially for the timber, all lots having been disposed of.—Louis de Courcy, Auctioneer.
