**WEEKLY CATTLE AND SHEEP MARKET.**

Wednesday, April 29th:—Cattle—About the same numbers as last week. A representative attendance, including shipping and local interests. Small supply of beef, for which demand was sharp; sold readily at best rates. Well meated young cow beef a free sale and easily placed; oldish and heavy sorts also met good demand. Short supply of forward stores; shapely young stores, especially bullocks, in steady demand and easily sold. Cattle with promise changed hands. Full previous currencies paid. Choice yearlings met good trade. Top lots changed hands and good second class; backward stores and plainer sorts hard to negotiate. Good all round steady trade for useful lots; prices maintained. Good clearance. Fat heifers, small, £22 to £27 15s.; fat cows, best, £27 10s. to £33; second run, £16 to £21 10s.; two year old bullocks and heifers, £15 to £22 5s.; second run, £11 5s. to £14 12s. 6d.; yearlings, best, £9 1s. to £13 3s.; second run, £6 to £8 17s. 6d.

Sheep—Numbers showed a substantial increase; one of the heaviest entries of the season; a good show, including a number of pens of prime mutton. Full company of buyers. Trade opened rather quiet, buyers being a bit cautious, but after a time settled down. Nice wethers and hoggets found most favour; freely bid for with active competition; previous top rates repeated. Best hoggets enquired for and sold freely, full rates; secondary sorts slow. Young ewes sharp demand, firm trade; nice store hoggets easily cashed. Fat lambs short supply; steady demand. All round, trade well supported, with an early finish and practical clearance. Fat middle weight, 100s. to 115s.; second run,
