WEEKLY CATTLE AND SHEEP MARKET.

Wednesday, May 20th:—Supplies on the heavier side in both sections; numbers showed an increase on last week. The favourable change in the weather brought a number of buyers into the market for feeding cattle; the result was a strong demand, business all round being of a quicker and firmer tone than for the last few weeks, at advanced rates; trade showed more stability, and in general a more active character, with a settled and healthier disposition and a stiffening in prices. Useful drafts of nice quality stores changed hands readily; trade active at more money than last Wednesday. Beef a heavier supply; current rates unhesitatingly paid for prime bullocks and heifers. Buyers in full attendance and in a business-like mood. Well meated young cows readily placed at full values; secondary and thinner sorts hard to negotiate. Satisfactory selling trade throughout the day. Good clearance. Fat heifers and bullocks, £28 10s. to £30 10s.; second run, £22 15s. to £24 10s.; fat cows, £25 10s. to £29; second run, £16 10s. to £24 15s.; two year old heifers and bullocks, £16 15s. to £20 5s.; second run, £11 2s. 6d. to £15 12s. 6d.; yearlings, £9 2s. 6d. to £11 7s. 6d.; second run, £7 4s. to £9.

Sheep—Full supply; better class in general. Strong attendance of buyers. Firm tone and enquiry for choice pens, including heavy sheep. Choice hoggets, in which class there were a good many pens, attracted attention and had ready buyers, with a livelier tone and even demand; full current rates; top prices repeated in owners favour. Well fed sheep with quality wanted and easily cashed. Store hoggets a better selling trade. Fresh ewes with quality had plenty of buyers. Fat lambs met enquiry and sold well. Over the day a brisker selling trade than last week, in which all classes benefited; value position maintained, and for choice pens a turn dearer; business in this section wound up with a strong finish. Market sold up. Fat middle weight, 100s. to 114s.; second run, 81s. to 96s.; hoggets, best, 90s. to 113s.; second run, 76s. to 89s.; stores, 52s. 6d. to 74s.; ewes, 80s. to 82s.; fat lambs, best, 50s. to 59s.; second run, 37s. to 48s.—Wm. B. Fitt & Co., Auctioneers.
