HIGHLY ESTEEMED

A WELL-KNOWN CITIZEN PASSES

Another well-known figure in sporting circles from the "Parish" has passed away to his reward in the person of Mr. Con Crowe, St. Mary's Place, Limerick. Deceased was a life long member of both Garryowen and the Athlunkard Boat Clubs. In the early nineties he figured on several Munster Cup winning teams, with the former club, and was one of the founders of the latter. An athlete of renown in his day, the half-mile was his special event. On one occasion he beat the well-known runner, George B. Tinsler, at a sports meeting held at the Markets Field.

Of a retiring and genial disposition, the late Mr. Crowe made hosts of friends, who will sincerely regret his demise. He was well known throughout the country, where his business as a pig dealer brought him in contact with a large number of people outside his native city. A man of many fine qualities and characteristics, he was highly popular with all classes. Kindly and considerate to all, he enjoyed, as he deserved, an exceedingly wide measure of respect and esteem.

The remains of deceased were removed to St. Mary's Church last evening, being accompanied by a very large and representative cortege. The funeral, which took place to-day, after Requiem High Mass, was attended by a very large concourse of citizens of all classes, which testified to the esteem enjoyed by the deceased and his family.

To his wife, sons and relatives we extend our deepest sympathy on their bereavement.

ADARE CARNIVAL

A GREAT SUCCESS

The carnival held at Adare closed to a close on Monday evening June 14 (writes our Adare correspondent). The weather was glorious during the whole week, consequently the function was a great success. Crowds of visitors from the surrounding districts congregated on the evening at the field, where the amusements were kept busy. Large numbers of competitors entered the different competitions, the of-war being the principal attraction, especially the final between Manister and Bruree, the latter coming out victorious. The committee is to be congratulated, as the arrangements in connection with the carnival were perfect.

A special word of praise is due the secretary, Mr. P. J. Hogan; stall holders, etc., for the great help they gave during the whole time. The Very Rev. Canon Thornhill, P.P., and the Christian Brothers wish to thank all those who helped and those who contributed generously to the various stalls.

Fynnons Salt

Claims too modest says Rheumatic sufferer.

We have received a remarkable letter of gratitude from Mr. J. F. W. Rea the following extract:—"For the past eight months I have been considerably troubled with rheumatism which commenced in the shoulder and later also developed in the knee and then the ankle. Now, after taking Fynnons Salt for exactly one month I am rid of all pain and stiffness of the affected joints. I have never felt more fit. The modest claims of Fynnons Salt are fully justified."
