

CAUSE OF PEACE

Pray Through The Cross

APPEAL BY LIMERICK REDEMPTORIST

Preaching yesterday on "St. Dominic and the Rosary" at St. Mary's, the Dominican Church, Galway, Rev. Robert Culhane, C.S.S.R., D., Mount St. Alphonsus, Limerick, made an impressive appeal for prayer through the Cross for peace.

In these days of universal trial for the human race, he said, most fittingly we recite the Rosary asking Mary "to heal the discords that divide the nations asunder." Pope Pius XII loved to remind the Catholic world that Mary, the Mother of all Christians, would not fail to unite in one Faith and one love the children who offer her this most acceptable crown of roses. To-day those who scoff at our Christian religion raise their impious voices and cry "God must be very far away from this sombre war-torn world. He is powerless to stay the bloodshed, the havoc and the dark despair that is spreading over the face of the earth."

THE ANSWER.

Our Lady of the Rosary has given the answer to that challenge. She gave it on Calvary. At that magic moment the Cause of Christ seemed lost. The gloom of despair penetrated everywhere. But in Mary's soul the lamp of Faith shone bright. She realised that God was never nearer to the world than at that moment. While the unbelievers shouted "if He be God let Him come down from the Cross," Mary was fully aware that the greatest intervention of divine mercy in human affairs was taking place. Peace was established between an offended God and the sinful sons of Adam. And that peace came through the Cross. Let us to-day, with the Rosary of St. Dominic in our hands, pray for peace through the Cross. Let us pray for that intention, especially during the Mass. The Mass is the

LIMERICK LADY FATALLY INJURED

A very sad tragedy, in which a very well known and highly esteemed Limerick lady, Mrs. Winifred Casey, wife of Mr. John Casey, poulterer, Roche's Street, lost her life, occurred at Knockaun Cross, near Newmarket-on-Fergus, this morning.

From inquiries made to-day it would appear that Mrs. Casey, accompanied by her husband, left Limerick yesterday in a pony and trap to visit her sister, Mrs. Gubbins, Carhue, Newmarket-on-Fergus. They were returning home this morning when, as a result of one of the wheels rolling over a stone or bank, the trap overturned at Knockaun Cross, and the occupants were thrown on to the road, Mrs. Casey receiving injuries which proved fatal about a half hour later. Mr. Casey, it is understood, received only minor injuries.

An inquest will be held this evening.

News of the tragedy has occasioned much regret in Limerick, where the deceased lady was very popular and highly esteemed. Much sympathy is extended to the bereaved husband and family, and we join with their many sympathisers in tendering them our sincere sympathy.

Funeral arrangements will be made known later.
