THE PADDOCKS, LIMERICK
WEEKLY CATTLE AND SHEEP
MARKET

Wednesday, September 9th:—Cattle—Sup-
 s considerably larger than last week's
 ster; fair average class. Beef about same
 bers, for which demand was active; recent
 er rates prevailing with a ready sale;
 ply not up to requirements; preference for
 dy weighted, nicely fed bullocks and
 ers; young heiferish cows were a steady
 le; oldish and heavy sorts also in demand.
 de all round active, particularly for fore-
 d and strong cattle. Business worked out
 firm, steady lines, with a healthy tone,
 a dearer trend in values for promising
 ders. Useful drafts of one and a half year
 bullocks and heifers came in for special
 ention. Rates favourable to vendors.
 iner types also more easily placed. Buyers
 full attendance and in a business-like mood.
 pping interests well represented. Good
 ing trade throughout the day. Market
 ctically cleared. Fat heifers and bullocks,
 t, £25 to £27 10s.; second run, £18 15s.
 £20 15s.; cows, £20 5s. to £24 10s.; second
 , £16 to £18 10s.; two and a half year
 bullocks and heifers, small, £14 10s. to
 10s.; one and a half year old bullocks,
 t, £15 5s. to £17 5s.; second run,
 17s. 6d. to £13 10s.; one and a half year
 heifers, best, £15 15s. to £16 7s. 6d.;
 ond run, £12 10s. to £13 5s.
Sheep—Numbers about the same as last
 ek; an average useful class, but less good
 gets. Trade not as active as last Wednes-
 , because the sheep were not as good, and
 ces were a bit easier. Pens with quality
 l nicely done met ready exchange; medium
 ghts found most favour. Fresh ewes with
 ality found buyers. Short supply of lambs,
 h fat and stores. Well done fat lambs
 uired for; store lambs slower trade. Sales
 round hardly up to the level of last Wed-
 day. Full attendance of buyers and a good
 arance. Fat middle weight, 92/- to 95/-;
 ond run, 63/- to 78/-; hoggets, best, 100/-
 107/-; second run, 83/- to 95/-; ewes, 96/-
 102/6; second run, 66/3 to 87/6; lambs,

 nothing less than last market; no choice

 dors were not willing to make—consequently
 trade was not as quick or free as
 ent markets. Useful heifers and cows found
 tomers. A fair clearance. In-calf heifers,
 to £23; dairy cows £22 to £30.—Wm. B.
