

...since the Society was established in Limerick, over 1,600 persons had been trained and 20 divisions organised to act as a medical service to the L.D.F., Army and civilians.

DOING GREAT WORK.
The Chairman said that the Red Cross was doing work of great importance to the nation and was deserving of every support and co-operation. He suggested that the Society be granted permission to play a match on October 11th. This suggestion was unanimously agreed to.

An application was received from the secretary, Jimmy Kiely Testimonial, asking for permission to play two games at the Gaelic Grounds on the 4th October. The Board unanimously granted the application.

SUNDAY DRINK

At Bruff Court, before Mr. H. L. Conner, B.L., D.J.,
The Attorney-General, at the prosecution of Supt. H. J. Keegan, ruff, summoned Thomas Hannan, ruff, for a breach of the licensing laws on Sunday, 26th July last.
Mr. W. A. Lee, solr., defended.
Sergeant P. McKenna stated that on the said date he had the licensed premises of the defendant under observation at 12.35 p.m. and heard loud talk coming from the back. He was admitted, accompanied by ward Skehan. He found four men in the kitchen and a number of bottles of drink in which drink was being consumed, and others were sitting. There were signs of recent drinking in the glasses. The barmaid had no excuse to offer.
Mr. Lee said it was in the middle of the harvesting season and the supply of stout was very limited, and what happened was that it came to Mr. Hannan's and these men, who had been out working all day, came and got the stout there.
Supt. Keegan referred to two previous convictions in April, 1940, and March, 1941, when fines of 5/- and 10/-, respectively, were imposed. A fine of £3 was imposed and the men found on the premises were each fined 2/6.

ASSAULT CHARGES

At Buttevant Court, before Mr. H. L. Conner, B.L., D.J.,
John Hanly, Forty Acres, Bruree, farmer, sued John O'Regan, Clenoruth, Doneraille, and William O'Regan, same address (farmers).
In the case of John O'Regan for assaulting complainant on the 27th day, at Roughfield Wood, by catching him by the coat and striking him four or five times with his clenched fist and knocking him down, and later for waving a four-pronged fork within striking distance of complainant; and in the case of William O'Regan for drawing a blow of his boot within striking distance of complainant.
After hearing the evidence of Messrs. William Aherne, Jackie Skins, Sergeant T. Sullivan, Garda Siochana, Doneraille, for the complainant, and the evidence of the defendants, the Justice convicted in the case of John O'Regan and fined him 1/- with 17s. 6d. costs and £2 14s. 0d. expenses, and in the case of William O'Regan dismissed the case with costs.

Mr. Thomas E. F. Bennett, solicitor (Messrs. Bennett & Walsh, solicitors), appeared for the complainant, and Mr. Gerald O'Regan, solicitor, Doneraille, represented the defence.

UNFIT HOUSE

Before Mr. H. L. Conner, B.L., D.J., at Bruff Court,
The Limerick County Council applied for a demolition order against the house of J. Henchy, Bruff, in respect of a house which had been condemned unfit for human habitation, and in which the last occupier had not given a new cottage.
Mr. M. F. Noonan, solicitor for the Board of Health, stated that a demolition order was served on the defendant on 16/6/38. He wrote a reminder on 28/7/39, and they were now compelled to bring into Court as she had taken no notice of their letters to her.
Mr. W. A. Lee, solr. (Messrs. Messer Fox and Co.), gave an assurance to the Court that the house would be put in an uninhabitable state and the matter was adjourned a month.

GOOD FOR WORKERS

Notification has been received from Mr. David O'Keeffe, Manager County Clare, that grants had been sanctioned for the provision of additional employment in Ennis, Kilmurphy urban districts. For

...a pleasure to witness. We have heard complaints about carelessness in a good many cases. I'd like very much that clubs would take an example from last Sunday week and do what they could for the games of the Association. Everyone knows they were two fine exhibitions of hurling, and the first game shows us that the Board can feel very satisfied with the work of the group system during the year. It has meant a very definite improvement in the senior games here in West Limerick. That's a thing we feel satisfied about. In recent years the senior competition was nothing like what it should be. On that account the Board can feel very glad that the group system has made such an improvement in senior matches. Without some good senior games the working of a Divisional Board would be very incomplete.

EXCELLENT DISPLAY.
"As you all know, the Croom v. Rathkeale tie was an excellent display. I have heard a number of old hurlers—competent critics—say that for a number of years they have not seen such good inter-club hurling and we know why. Both of these clubs have reason to congratulate themselves. We know too that everybody here in West Limerick, even Croom, is prepared to congratulate Rathkeale on their victory. We offer them our congratulations as champions—they deserve that victory; not only because of the good game they played, but because they kept their senior teams here in Rathkeale for a number of years—sometimes in difficult circumstances. Now their courage and perseverance have been well rewarded. We only hope now that we will soon be in a position to congratulate them as county champions. In the meantime we offer them our best wishes for another successful day and a final victory" (applause).

Mr. Wm. Sheahan—I wish very sincerely to thank the Rev. Chairman for his very kind remarks, and good wishes for a final victory. I wish also to thank Mr. Michael Fitzgibbon, the referee, for his very capable and efficient refereeing. The Ballygarra Gaels left nothing undone to make the day a success for all. I would also like to thank them, and also all the friends who sent me letters of congratulation on the victory of our senior combination.

Mr. Reidy, secretary—I wish, on behalf of the Ballygarra club to thank you for your appreciation of our arrangements on the occasion of the final. I think the stewards at Ballygarra realised that it was worthy of them to be up to the occasion. I'm very glad they did their duty. Every one was satisfied with their arrangements.

FIXTURES.
The following were made:—
27th September, at Dromcollogher—Junior hurling, divisional final, Feenagh v. Killeedy, 2.15 p.m.
4th October at Ballygarra—J.H., Dromard v. Feenagh or Killeedy. S.F., county final, Abbeyfeale v. Knockane.
11th October at Ardagh—Minor football semi-final, Athea v. Deel Rangers.

PRESENTATION.
The Rev. Chairman, presenting a set of medals to Mr. Wm. Fitzmaurice, N.T., on behalf of the Killeedy club, said they were the trophies offered by Dromcollogher in their tournament which Killeedy won from Feenagh.

Mr. Fitzmaurice, in thanking the Chairman, stated he hoped they would be able to give Feenagh a good game in their tie at Dromcollogher next Sunday.
The next meeting was fixed for Ballygarra on Monday, 5th Oct., at 7 p.m.

OBITUARY

MR. WALTER BRAZIER.

The sad tidings of the death of Mr. Walter Brazier, which took place on Tuesday, 15th September, was received with sincere and genuine regret in the City and County of Limerick. The gentleman, known to all as "Watt," as he was familiarly called, was deservedly popular amongst all classes. He was a man of high principles and characteristics, with a charm of manner all his own. Kindly and considerate to a degree, with a fine jovial disposition, he died, as he lived, everyone's friend.

For upwards of 40 years he was a valued and highly placed official of the Limerick Co. Council, and carried with him into retirement of full pension some years ago the universal good wishes of all his friends. "Watt" Brazier will be best remembered for his association with the old Limerick Operatic Society, and old theatre goers will remember with pleasure his splendid baritone voice as principal in the Gilbert and Sullivan productions of happy memories.

He was an excellent raconteur and took a deep interest in music and the drama, an interest which he maintained to the end. Sport had also a fascination for him, particularly the rugby code.

The funeral, which took place on Thursday, 17th inst., to Mount Lawrence Cemetery, was large and representative, and a fitting tribute to his memory. Amongst those who attended the obsequies were his former colleagues of the Limerick Co. Council administrative and clerical staffs, members of the Oireachtas, of the professional and commercial life of the city; and members of the various sports organisations and public bodies.

Chief mourners—Thomas, William and Edward (sons), Miss Monica Brazier, Mrs. Gertrude Kennedy, Mrs. Constance Connolly and Mrs. Kathleen Murray (daughters), Mrs. Defferary (sister), Molly Kennedy, Mrs. J. V. Norman, Joseph and Harry Connolly, Harry, Mary and Olive Rose, Breda Brazier (grand-children), Mrs. T. Brazier and Mrs. W. Brazier (daughters-in-law), Messrs. C. Defferary and P. O'Halloran (brothers-in-law), Messrs. George, Alf, Jack, Clement and Gerard McCloskey, Mrs. Elliot, Mrs. Tuite, Mr. D. O'Brien (cousins), etc., etc.

INSTANT DEATH

...twelve months I am now free from aches and pains that I have been for years. In fact, I consider I am cured of rheumatism thanks to Kruschen." —W.M.

FLUSH OUT URIC ACID

The remedy that proved right for that man will end your rheumatism too. Do as he did—take Kruschen every morning.

The pains of rheumatism are caused by needle-pointed crystals of Uric Acid which collect in your muscles and joints. There is only one way to remove that Uric Acid; it must be flushed out through your kidneys. Mere bowel-opening salts can't get at the acid in your kidneys. Kruschen is five times more effective than other salts in stimulating your kidneys and washing away Uric Acid. You can see the effect of Kruschen in the increased amount of water you pass.

Start taking Kruschen today. From all chemists, in 1/9 bottles.
