Sheep—A full entry, good show of useful sheep, an even class. Business opened on quiet lines, with a weaker tendency; rates ruled on somewhat lower basis. Trade not as quick as last Wednesday, nor did biddings run as smoothly; prime sheep were bid for and wanted; small handy sized hoggets in good condition ready demand, half finished and rough lots dull. Young ewes a fair selling trade, old ewes difficult to cash. Enquiry for fresh well bred feeding hoggets, which met a fair selling trade, short supply of lambs. Business did not indicate the activity of last week; buyers operated somewhat cautiously, and market moved in an easier groove. Good clearance. Hoggets, best, 110/- to 130/-; second run, 100/- to 109/-; ewes, best, 105/- to 130/-; second run, 87/- to 100/-; Kerry ewes, 57/6 to 60/-; lambs, best, 78/- to 90/-; second run, 65/- to 75/-.—Wm. B. Fitt & Co., Auctioneers

### WEEKLY DAIRY MARKET.

Tuesday, October 13th—Full seasonable entry, the cows with a few exceptions were on the whole an excellent class, and buyers in quest of high grade cows and heifers were not disappointed, as there were a good many to choose from. There was a good and representative attendance. Bidding for promising cows and heifers was ready and brisk all round the ring; tip top lots attracted keen competition; plenty of buyers and brisk bidding for all promising lots, but heifers and cows short of condition were not so much in favour. Dairy proprietors want substance, with shapes and quality, and are quite willing to part full values. Business worked out satisfactorily throughout the proceedings, all cleared except a few lots. Mr. M. Butler, Clyduff, Lisnagry, topped the market at £46 for an exceptionally fine dairy cow; the runner-up being Mr. M. Byrom, Knockbrack, Kilmore, at £42 10s. Choice dairy cows, £38 to £46; promising, £30 to £37 10s.; ordinary, £20 to £28 10s.; incalf and calved heifers, promising, £29 to £33; ordinary, £21 to £26 5s.—Wm. B. Fitt & Co., Auctioneers.

## CATTLE MARKETS, MULGRAVE STREET, LIMERICK.

Weekly Market, Saturday, October 10th—Dairy cows and incalf heifers—Entry again heavy but not quite up to last week's total, with better quality cows and heifers, for which trade was extremely good, resulting in all the good cows and heifers entered being sold under the hammer. Mr. A. J. Smyth, Glenlon, Ardnacrusha, topped the market in the dairy cow department at £37 for a calved cow, the runner-up being Mr. Michael Madden, Dunvullen, Ballybrood, at £35, and Mr. D. Troy, Canal Bank, Limerick, topped the market at £30 5s. for a calved heifer, the runner-up being Mr. Michael Mulqueen, Gillogue, Clonlara, at £35. Incalf and calved dairy cows, best, £35 to £37; second run, £26 to £33 15s.; small, £16 10s. to £25 15s.; incalf and calved heifers, best, £33 15s. to £36 5s.; second run, £25 15s. to £27.

Stores—The entry at to-day's market beat all previous records, and included a very fine selection of choice store cattle, particularly in the one and a half year old department. Trade opened rather quiet, but after a few lots of strong cattle had passed through unsold, buyers, who were in unusually large numbers, then began to operate more freely, with the result that a particularly good

sexton, Auctioneer, late of 65 O'Connell St., died October 20th, 1934. On whose soul, Sweet Jesus, have mercy.
