

Mr. John O'Dwyer, Clonlara, whose calved cow, after very brisk competition, was sold for £46, the runner-up in this department being Mr. D. Courteny, the Green, Killaloe, at £40, also for a calved cow. In the incalf and calved heifer department Mr. Michael Kennedy, Bridgetown, topped the market at £40 10s. for a most promising heifer, this price being considered a record, Mr. James Hastings, Blackwater, being the runner-up at £33. Incalf and calved dairy cows, best, £40 to £46; second run, £35 to £38; others, £22 to £32 15s.; incalf and calved heifers, best, £33 to £40 10s.; second run, £30 15s. to £32 15s.; others, £24 10s. to £30.

Stores—The entry in this department did not reach last week's high level but some very choice lots of stores were included in the entry and with a strong and representative "ring," buyers operated freely with the result that practically all the good lots were sold under the hammer, resulting in a substantial clearance and a heavy turnover, prices in a good many cases favouring vendors. Two year old bullocks and heifers, best, £15 15s. to £18 10s.; second run, £13 to £14 2s. 6d.; one and a half year old heifers, best, £15 to £18 10s.; second run, £12 12s. 6d. to £15; one and a half year old bullocks, best, £15 to £17 15s.; second run, £13 to £14 12s. 6d.
