

Late Mr Sean Hogan

Sympathy of Colleagues

At the meeting of the Limerick County Board of Health,

Mr Mackey proposed a sincere vote of sympathy to the widow and relatives of the late Mr Sean Hogan, C.C. Kilmallock, who he said had been a most valuable member of the board and who had given excellent service during the years he had served as a representative of the people of his area. His loss was keenly felt by all who had the pleasure of his acquaintance.

Mr McCormack seconded and said that the late Mr Hogan was a very amiable colleague to work with, was loyal and upright at all times, and his passing was a cause of regret to all of them.

The Chairman associated himself with the vote of sympathy and said that he had known Mr Hogan for many years before he became a member of the board and he could say of him that he was an excellent representative and it was a pleasure to work with him on the board.

The Secretary and other officials present associated themselves with the vote, which was passed in silence.
