

County P.P.'s Death

Deep regret has been occasioned in many parts of Munster at the news of the death of Rev Patrick Ryan, F.R., Monaghan, New castle West, county Limerick. The kindly and charitable nature of Fr Ryan, his zeal for his religious duties, and his interest in the welfare of his parishioners, had made him a beloved figure in the district, and his passing will be deeply mourned by all who had the pleasure of his acquaintance. He served as well known in St Mary's Parish, Limerick, amongst the older generation.
