

Death of Mr J. E. Toppin

The death occurred on Saturday at his residence, Fishburnes, Limerick, of Mr John E. Toppin eldest son of the late Mr Philip Toppin, who was managing director for many years of Messrs Cannon and Co. The deceased himself was in early middle age associated with Messrs Cannon, but on the death of his brother Philip, in 1914, he took over the Shannon Laundry in partnership with his brother Arthur. This concerned him to do a very progressive undertaking largely through the energy and business acumen of the deceased. He was a lifelong member of Trinity Church, the P. Y. M. C. and the Limerick Boat Club.
