

## Death of Mr. John Cauty

The death took place on Sunday of a well-known citizen in the person of Mr John Cauty, who was for some years a member of the Limerick Corporation and of the old Limerick Board of Guardians as a Labour Representative. At the inception of the National Volunteers in 1913, the late Mr Cauty took a leading part in the formation and training of that body. The funeral, which was very largely attended, took place this afternoon from St. Michael's Church to Mt. St Lawrence Cemetery.
