

Death of Mr P Liston

The death has occurred at his residence, the Medical Hall, O'Connell street, of Mr Patrick Liston, who had been in failing health for some time past. Deceased, who was a most unassuming and popular citizen, had built up a most important business, being for over 40 years proprietor of the Medical Hall. Much sympathy is extended to his bereaved widow. The funeral on Friday to family burial place at Mungret was large and most representative.
