## Sad Fatality

At about 8 o'clock on Monday morning the body of Mrs. Josephine McMillan, aged about 50 years, residing at 25 Windmill Street, Limerick, was recovered from the river near Sutton's Quay. The deceased, a widow, lived with her two children, aged 13 years and 16 years, respectively. She retired to bed on Sunday night, but it is presumed that during the early hours of Monday morning she strayed from her house and in the darkness fell into the river. She had been in poor health for some time passed.
