ERECTION OF SHELTERS

(To the Editor, "Limerick Leader.")

Sir,—Knowing you and your journal are friends of the unemployed, I wish to draw to your notice that air-raid shelters are about to be erected in the Harbour, and I hope the Harbour Board will be charitable enough to employ some of the unemployed, as their own staff are only able to cope with their own work. It would mean employment to the very needy. Hoping the Harbour Board will be generous enough to grant the same.

—Yours faithfully,

JOHN O'NEILL.

SNOW STORM OVER KILLALOE DISTRICT

On Friday night and Saturday morning (writes our Killaloe correspondent) a snow storm swept over this district. On Saturday morning a motor lorry travelling to the Glen, Killaloe, skidded near Garranboy Cross, crashed into a wall, and, all but overturned. Two miles further on the lorry, again skidded into a river, but, fortunately, no one was hurt.

December he had also seen her cycling.

The Judge said that it seemed strange that if the applicant suffered in the way she said she did, she did not tell her master or mistress. He refused the application.

OBITUARY

MISS ROSALIE KENNY

We deeply regret to announce the death of Miss Rosalie Kenny, daughter of Mr. J. C. Kenny, District Manager, Irish American Oil Co. (Limerick and Foynes) and Mrs. Kenny, 2 Alphonsus Terrace, Limerick, which very sad event occurred at Barrington's Hospital yesterday after a brief illness. The passing of this extremely popular young lady at the early age of 17 years has occasioned very keen regret over a wide area, particularly in the city, where she had many friends. Possessed of a most charming and winning personality, the golden opinions she won in all circles since she came to live in Limerick were richly deserved, and her death has created a void which it will be impossible to fill, not alone in her own home, but in the hearts of all her friends who knew and loved her. A most devout and fervent young Catholic, she was a Child of Mary and also a Tertiary of St. Francis and in general was a most exemplary young lady. All those who had the privilege of knowing the deceased will acutely feel her passing, but with them her memory will be evergreen, for she had won a deep and abiding place in their hearts. R.I.P. We join with the many friends of the family in tendering them our very sincere sympathy on their irreparable loss.

This evening (Wednesday) the remains will be removed from Barrington's Hospital to St. Michael's Church, where Requiem Mass will be offered up to-morrow morning at 10 o'clock, after which the funeral will take place to Mount St. Lawrence Cemetery.
