WEEKLY CATTLE AND SHEEP MARKET.

Wednesday, February 10th—Cattle—Larger numbers on sale; beef, especially heifers, in strong demand and easily cashed at top values. Well bred young cows met steady exchange, practical clearance in this section. Vendors of beef will find this market a good medium for disposal; for forward and aged stores business was irregular and weak, unless for choice lots. Plain and thin cattle slow and difficult to negotiate. In young store section choice two year old bullocks and heifers wanted, values ran fairly even with previous currencies; rough and plain cattle slow and difficult to cash, with an easier tendency in prices. Rates on the basis of last week's terms. Fat heifers and bullocks, best, £27 to £33; second run, £22 to £26 5s.; fat cows, best, £25 15s. to £29 10s.; second run, £20 5s. to £23 10s.; old, £13 to £19 10s.; 2½ year old bullocks and heifers, £18 5s. to £21; 2 year old heifers, best, £15 10s. to £23; second run, £13 11s. to £15 5s.; bullocks, £15 to £17 10s.; second run, £10 6s. to £13; yearlings, best, £15 15s.; second run, £7 5s. to £9 2s. 6d.

Sheep—Numbers about the same, a useful turnout. Firm tone and enquiry for choice pens, which commanded attention. Sufficient demand for more of this class. Nicely fed wethers met a steady exchange, current values ruled. Clients with nicely done sheep will find a ready market at top rates; sheep short of flesh difficult to place. Ewes hard to cash unless young and fresh. Store sheep a quieter trade, and hard to turn into money. Fat hoggets steady demand, no material change in values. Business all round firm and steady for best sheep. Full attendance of buyers, and satisfactory clearance effected. Fat, best, 122/6 to 132/6; second run, 99/- to 115/-; small, 87/6 to 95/-; ewes, best, 100/- to 110/-; hoggets, 60/- to 78/-—Wm. B. Pitt and Co., Auctioneers.

WEEKLY DAIRY MARKET.

Tuesday, February 9th—Entry numbered full seasonable supply, and comprised on the whole a useful class, including some heifers of a higher milking type; no really high class heifers on sale. A strong attendance, some from a distance, with a firm enquiry for promising heifers. There is evident desire to obtain the best, with the object of grading up herds for increase production; heifers with recommendations in this direction were keenly competed for, demand being greater than supply. The average price of top lots was higher than last week, no lack of customers for the right stamp. Unshapely and rough lots not easy to cash. Dairy cows, spring calvers a steady and firm trade; useful young cows wanted and made full rates. Cows on the points of calving and freshly calved met a slow dragging sale, as customers were not willing to trade at the high figures vendors held out for, and where reasonable terms were offered exchange followed. A good sell up, representing a full seasonable turnover. Top price of the day again went to Mr. M. Power at £35 for an incalf heifer, and for dairy cows to Mr. James Burnes, Ballycough, Ballysheedy, at £37. Incalf heifers, choice, £30 to £35; promising, £26 to £29 10s.; ordinary, £18 to £25 10s.; dairy cows, best, £31 10s. to £37; promising, £25 to £28 10s.; ordinary, £16 10s. to £23 10s.; spring calvers, promising, £21 5s. to £26 5s.; ordinary, £16 5s. to £20.—Wm. B. Pitt and Co., Auctioneers.

CATTLE MARKETS, MULGRAVE STREET, LIMERICK.

Weekly Market, Saturday, Feb. 6th.

Dairy cows and incalf heifers—The opening spring sale of incalf heifers in addition to the usual weekly market, was held on Saturday, 6th inst. The entry showed a substantial increase over the corresponding sale last year, and, taking the easier trend in prices for incalf heifers into account, the sale was most successful, the greater majority of the entry being disposed of. Top price for incalf heifers was obtained by Mr. Michael Quaid, Dooradoyle, at £28 15s., the runner-up being Mr. John Nihil, Cloontra, Sixmilebridge, at £27 15s., and for dairy cows, Mr. Michael Keogh, Ballinphunta, Cratloe, obtained top price at £31 5s. Incalf and calved dairy cows, best, £27 10s. to £31 5s.; second run, £23 to £27; others, £18 10s. to £22 10s.; incalf and calved heifers, best, £26 to £28 15s.; second run, £24 5s. to £25; others, £20 to £23.

Stores—Better entry than last week, with some choice lots on offer; trade was brisk and practically a complete clearance was effected. In the yearling department Mr. H. Croker, Ballingarde, obtained the remarkably high price of £14 10s. per head for heifer calves. Two year old bullocks, best, £14 17s. 6d. to £16; second run, £11 to £13 5s.; two year old heifers, £12 to £16 5s. Yearlings, best, £11 10s. to £14 10s.; second run, £8 15s. to £10 2s. 6d.
