After an attack of nausea his pulse

DEATH OF MR. MICHAEL REID

It is with the sincerest regret we
announce the death of Mr. Michael
Reid, 22 Sir Harry's Mall, Limerick,
who passed away at his residence
on Saturday last, after an illness
which lasted for some months. His
death came as a severe blow to his
wife, daughter, sisters, brothers and
relatives. He was connected with
the pig dealing business, in which
he was deservedly popular not alone
in this city but also throughout the
South and West of Ireland. The
deceased was deeply interested in
all classes of sport, rowing and
rugby being his favourite pastimes.
As a young man he wore the
colours of the Shannon Rugby Foot-
ball Club and was one of the
founders of the Athlunkard Boat
Club, of which he was a life-long
member. His gentle and charitable
disposition won for him a large
circle of friends and admirers, who
will sincerely regret his demise. He
was also a golden jubilarian of
the Arch-Confraternity of the Holy
Family.

The remains were removed to St.
Mary's Church on Saturday night.
After Requiem Mass for the repose
of his soul, the funeral took place
to Mount St. Lawrence Cemetery
this morning. The cortege, both at
the removal of the remains and at
the funeral, embraced all classes of
the community, and testified to the
esteem enjoyed by the deceased and
his family.

The chief mourners were Mrs.
Reid (wife), Miss Norah Reid
(daughter), Mrs. Quilligan and Mrs.
Malone (sisters); Paddy, Jimmy,
Hyman, Joseph and William
(brothers); Mrs. J. Reid, Mrs. W.
Reid (sisters-in-law), etc., etc.

The clergy in attendance were
Very Rev. Canon Hannon, P.P., V.G.,
Newcastle West; Rev. Father
Harty, P.P., St. Mary's; Rev. Father
Costelloe, C.C., do.; Rev. Father
Kennedy, C.C., do.; Rev. Father
Moloney, P.P., St. Patrick's; Rev.
Father H. O'Connor, P.P., Knocka-
derry.

Rev. Father Harty officiated at
the graveside.

FARM HORSE MAKES £90

At Rathkeale fair on Saturday,
20th inst., a farm horse made £90.
The fair was average in size and
there was very active demand for
farm animals. Prices:—Driving

and McDowell, who represent Mrs.
Mary Lynch McCarthy in Los
Angeles.

A preliminary objection was
raised by Mr. McMahon that no
official stenographer was present,
but the Commissioner stated that
whilst he regretted the absence of
a stenographer, who would be of
much assistance, still his Commis-
sion did not authorise him to
requisition the services of one, and
that all he could do in the circum-
stances would be to note Mr.
McMahon's objection.

SHORT OF THE QUOTA

—oo— FINED FOR TILLAGE

At Bruff District Court, before
Mr. H. L. Conner, B.L., D.J.,

The Minister for Agriculture, at
the prosecution of Mr. J. J. Power,
State Solicitor, summoned Patrick
Henchy for a breach of the Emer-
gency Powers (Tillage) Order.

Mr. T. M. Mitchell, solr., defended.
Mr. P. J. Slattery, Inspector, gave
evidence that he found defendant's
tillage was short by 2¼ acres.

Mr. Mitchell said the holding was
a small one of about 16 Irish acres
and a very large proportion of such
lands were regarded as non-arable,
and his client had also been trying
to put stock together and he did
not like to do away with them.
Such small farms were not equipped
with machinery and had usually
only one horse, and they could not
get tractors. The defendant had
done his full quota this year.

Mr. Power said that Mr. Mitchell's
argument was a reversal of the old
one. It was that the defendant's
farm was so small that he should
be exempted from tillage. The small
farm was most important, and it
was easy to do a nice, tidy bit of
tillage such as this. There was no
reasonable excuse for this default.

A fine of £3, with 14/- expenses,
was imposed.

FAILURE TO CUT WEEDS

—oo— CO. LIMERICK FARMERS FINED

Before Mr. H. L. Conner, B.L.,
D.J., at Bruff Court,

The Minister for Agriculture, at
the prosecution of Mr. J. J. Power,
State Solicitor, summoned Edward
Dunne, Main St., Bruff, for failing
to cut weeds on his farm, contrary
to the 1937 Noxious Weeds Order.

Mr. R. Fox, solicitor, defended.
Sergeant P. McKenna, Bruff, said
that he visited the farm of the
defendant in August, 1942, and
found the necessary notice. There
