THE THOMOND "I See Ice," to be shown at the Thomond on Monday, presents George Formby as a would-be photographer's assistant whose ambition is to take news photographs for the national Press. To further this end he has

invented a midget camera concealed in his bow tle, and operated by a button on his chat. The results are hilarious. The adventures of a pilot are told in Wednesday's 'Hot Pearls,' with Lief Erikson, Gordon Jones, Florence Rice and Don Beddoe. The support, "Naval Academy," presentd Freddie Bartholomew.
