NEWCASTLE WEST DEMESNE

Plans are being drawn up, it is understood, for the improvement during the winter months of Newcastle West demesne as a town park. The scheme, it appears, is to be financed out of surplus revenue from the property. It provides for drainage of portions of the land liable to flooding, the carrying out of improvements to the walks and the provision of a band stand near the entrance.

NO MORE CHANCES

To-day at Limerick City Court, before Mr. J. M. Flood, B.L., D.J.,

Nora Low, stated to be a native of Clonlara, was charged with the larceny of a watch.

Inspector O'Shaughnessy said that the defendant was an unemployed domestic servant. She was a patient in the City Home Hospital and while there she borrowed a watch from a fellow patient. By a subterfuge the defendant got out of the hospital and after a week she was arrested.

The defendant said that she borrowed the watch and had intended to restore it.

The Inspector said that at a recent Court the defendant got a suspensory sentence of three months on a charge of bicycle stealing.

Justice—She will get no more chances. On the present charge she will go to jail for three months.

Possessed of a vivid memory until recent years, the deceased had many recollections of historical events of the past. The funeral, which took place from Broadford to Knawhill, was very largely attended.
