WEEKLY CATTLE AND SHEEP MARKET.

Wednesday, November 10th—Cattle—A large entry again forward; one of the heaviest of the season; a substantial increase on last week; a splendid show. Strong attendance. In beef section, medium weight heifers and bullocks with quality freely bid for, and changed hands, steady rates. Fresh forward cows better demand and sale; heiferish cows easily cashed, better rates. A large entry of stores, met quiet trade; buyers very cautious; lots cashed made about late rates; promising and forward feeding bullocks bid for. Well-bred stores of the right stamp enquired for, and can be sold at the lower level of prices. All round lukewarm competition, unless for forward and promising lots. Values on basis of current rates. Calves, the best entry of the season; calves with colour, quality and a bit of condition were bid for, especially heifers; fair clearance in this section. In comparison with last week the turnover showed a substantial increase. Good clearance. Fat heifers and bullocks, £27 to £29; second run, £22 5s. to £25; fat cows, £23 to £26 10s.; second run, £18 to £20 5s.; old, £10 10s. to £17 10s.; 2½ year-old bullocks and heifers, £22 15s. to £25 15s.; second run, £17 to £19 10s.; 1½ year-old heifers, best, £14 10s. to £18 5s.; second run, £10 10s. to £13 2s. 6d.; calves, best, £11 to £12 7s. 6d.; second run, £7 5s. to £9 17s. 6d. Sheep—Entry about the same; a better class in general. Good attendance of buyers; trade opened rather quiet, with a slightly easier tendency; buyers showed a cooler disposition, unless for prime pens. Choice hoggets in demand. Nicely done middle weights commanded most attention; heavy mutton not in favour. Fresh ewes, with quality, found buyers. Store sheep a quiet trade. Fat lambs, short supply; freely bid for at current rates. Store lambs cashed on easier terms. A good clearance effected. Hoggets, best, 136/- to 144/-; second run, 125/- to 135/-; stores, best, 114/- to 125/-; second run, 95/- to 112/-; ewes, 75/- to 118/-; lambs, 84/- to 110/-—Wm. B. Fitt & Co., Auctioneers.

WEEKLY DAIRY MARKET.

Tuesday, November 9th—The entry for today's market showed a slight decrease on last Tuesday, but included a fair number of promising and useful dairy cows and heifers; on the whole the standard being well up to last week. Usual attendance of buyers, including shipping interests. Business opened actively, with a readiness on the part of buyers to invest. Choice and promising cows with size, substance, and quality, met sharp competition, with a free and easy exchange, and a bright business activity. Choice dairy cows met firm trade, and there was a ready demand for all classes. In the heifer section the entry was not as good as last market; choice and promising in-calf heifers were in keen demand and sold well, best prices being paid. In the dairy cow section, Mr. P. McDonagh, Bansha, Kilcornan, topped the market at £44, for a calved cow, closely followed up by Mr. Jas. Flannery, Rivers, Lisnagry, at £43 10s. Many other cows realising over £40. Top price for in-calf heifers went to Mr. John Kirby, Roxboro', at £39, the runner-up being Mr. W. Griffin, Manister, at £36 10s. More cows and heifers of the right stamp could easily have been sold, as customers were present for this class. Business finished up strong, with an exceptionally good clearance. Dairy cows, best, £37 to £44. Promising, £28 10s. to £34 10s.; ordinary, £22 10s. to £24 5s. In-calf and calved heifers, best, £33 10s. to £39; second run, £25 to £32.—Wm. B. Fitt & Co., Auctioneers.
