FUNERAL OF L.S.F. SECTION LEADER

Widespread regret was occasioned in Kilfinane Group area of the L.S.F. and throughout Bruff district in general at the news of the death of Mr. D. M. O'Connell, Ardpatrick. CO. MANAGER BEREAVED

Deep sympathy will be tendered to Mr. P. J. Meghan, B.E., Limerick County Manager, on the death of his mother, which took place on Wednesday at her residence, Millmount Terrace, Drumcondra, Dublin. The late Mrs. Meghan, a lady of many estimable qualities, survived her husband, who was a prominent Postal official, by a few years. Her death removes a very charming woman, and the condolence of the general public will be extended to the County Manager and the other members of the family in their bereavement. The funeral, which took place to-day to Glasnevin Cemetery, was private.

SOME "SNAGS" FOR THE RATEPAYERS.

Under the above heading, a correspondent signing himself "J.G." writes:—"Reading the reports of the Corporation and Co. Council recently must cause the ratepayers some alarm. We are to have a new Courthouse, Town Hall, Assembly Hall, etc., the cost of which would stagger an auditor. I think it would be time that the ratepayers called 'halt.' Both of these bodies appear to be very 'patriotic' at the expense of the ratepayers. The letter in your issue on Wednesday night signed 'One Every Minute' should be printed and posted on the walls of the city. In conclusion, the rates are going up and the houses going down."
