WAKE UP YOUR LIVER BILE

without Calomel — and you'll jump out of bed in the morning full of vim and vigour

The liver should pour out two pints of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It ferments in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk, and the world looks good.

Laxatives help a little, but a mere bowel movement doesn't get at the cause. It takes those good old Carters Little Liver Pills to get those two pints of bile flowing freely and make you feel up and up. Harmless, gentle, yet amazing in making bile flow freely. Ask for Carters Little Liver Pills. Stubbornly refuse anything else. 1/9 and 4/-

WITH THE ARMY

GAELIC CODE.

The Army Athletic Association to cater for and encourage Gaelic games during winter months, has this year revived the Chaplain's and Medical Services Cups championships for hurling and football. The competition to be run on an All-Army basis, with the best unit in each Brigade and formation competing. The 7th Brigade will be represented by the 9th Battalion in football, and by the 7th Brigade H.Q.R.'s in hurling. In the first round these teams will meet the winning units of the Southern Command. Both matches are expected to take place forward; the end of January, and venues will be announced later.

BOXING.

The first division junior championships are being held in Cork on Thursday and Friday next. A high standard of boxing is expected, and with the experience gained in Boxe contests we hope to go far in the All-Army championships. Incidentally these will be decided in Dublin on January 29th, 1944.

The 7th Brigade "string" for the divisional championships will be Pte. Sweeney, 15th Bn.; Pte. O'Donoghue, 9th Bn.; Tpr. Mather, 7th Motor Squadron; Pte. O'Riordan, C.H.A.; Pte. Cox, 12th Bn.; Tpr. O'Sullivan, 7th Motor Squadron; Pte. Byrne, 8th Bn.; Pte. Dolphin, 12th Bn.; Vol. Morris, 12th Bn.; Tpr. Mackin, 7th Motor Squadron; Cpl. Mulvihill, 12th Bn.; Pte. Ryan, Signals.

A challenge has been issued from Kerry to fight the best in the Limerick area. The challenge has been accepted, and fans in Tralee can look forward to a good night's sport in the near future.

SOCCER.

The coming week will see the Army at high pressure, as no less than four teams will compete in the first round of the Football Association of Ireland Junior Challenge Cup. The fixtures are:—12th Bn. Pte. post, Sarsfield Bks., v. 32nd Signal Regiment, Wembley Rovers v. Mount Trenchard (Shelbourne v. Shannon Airport. Fixtures: 9th Bn. v. 12th Bn., 2.30 p.m. at Sarsfield Bks., on 30th Jan.

CROSS-COUNTRY RUNNING.

Now that the Area championships have been decided, the best talent of the Brigade's in-training should be ready for the provincial athletic event of the season, and rivalry between Brigadiers and units is running high. The Fusilier, 12th Bn.; Pte. Mahon, 9th Bn., and Tpr. Lyons, 1st Mot. Squadron, are strong favourites for first places. Followers of athletics will remember the finish of last year's mile, when the present ever Fusilier pipped Mahony on the tape. Another favourite for the individual honours is Vol. Sweeney, 12th Bn., who in a recent competition covered a distance of 11 miles in the record time of 61 mins.

The Brigade championship will be held at Limerick over a 4½ course of 4 miles, and a field of 36 will be expected.

Sections: 7th Brigade championship at Limerick, Feb. 1-5; All Army championship at Templemore shortly week ending Feb. 20th.

RUGBY.

Army XV again held Young Munster by the close score of 11 points to 9 points in a friendly encounter at Thomond Park during the holiday period. The order of the day was give the ball to the backs, and both back lines took full advantage of the day out. Scores for the Army were by S/S. Sullivan, Spt. Ringrose (Lieut. Curtin converted) and Pte. Maloney. For Young Munster two penalty goals by Clifford, and a try by Pte. Maloney, a newcomer to the Army's Rugby fifteen, showed great promise as wing three-quarter. Pte. Maloney and S/S. Carr combined well to open forward play, and made some spectacular displays of short passing.

Fixture: Limerick Junior Cup, Shannon v. Army, Sunday, January 2nd.

RUGBY

TRINITY V. GARRYOWEN

Garryowen, 27 Pts.; Trinity, 9 Pts.

A delightful exhibition of fast, open and brilliant football was served up to the fans at Thomond Park yesterday. Perhaps the most pleasant feature of the game was the victory of the Limerick team although each of their opponents, and the manner in which they gained the points. The Trinity pack was totally superior in the set scrummage, but no sound hand was long Garryowen ought also to have the advantage in the loose.

The ball was cast in the back line, where Garryowen were well served at half back by Dr. P. O'Brien and John Thompson. Nearing the interval O'Brien retired injured, and Reid moved to the stand off berth, having it off well with Thompson. The backing of the remainder of the back was devastating, and with a block of soundness like P. Quilligan, at full, Trinity had little chance of going through.

Garryowen made a quick start when McCarthy and Matthews were in the fore with a back movement, which terminated in the latter grounding between the posts. Which converted. Shortly after Trinity evened up matters with a try, got Jackson, converted by Reid.

Immediately after another back movement ended when Reid sent McCarthy over near the posts. O'Brien again improved. With a five point lead O'Brien retired. At this stage matters looked tough and go for the home team, but Matthews again began the offensive, collecting a loose ball on the twenty-five; he dashed through a spread-eagled defence; Reid adding the good points.

In the second period, O'Brien resumed, but only for a short spell. The homesters kept up the pressure and Carey crossed for out. Reid again converting. The seven Garryowen forwards were playing terrific football, but the pace began to tell, and the visitors went into the attack. In as many minutes they piled up eleven points with a penalty goal, per Hetreed, an unconverted try by Gleeson, a try by Bradshaw, converted by Hetreed.

Garryowen were outpointed and fought back gamely. The inter-provincial repeated his representative performance with a beauty of a dropped goal. Soon after Reid was again to the fore in the attack when his kick ahead was collected by Cunningham, who pounded near the corner flag. Reid failed with the goal kick. The inevitable but obscure end was fast approaching when the Trinity out-half, Marshall, sailed through a tired defence for the last score of the day.

And so we all came back from Thomond Park with the thought that the code was on the upward trend to pre-war standard. A word of praise to Mr. W. W. Stokes, the referee, whose laxity with the whistle where trifling infringements would have spoiled the game, was much appreciated.

WEEK-END FIXTURE.

The only game over the week-end will be the meeting of the Army's junior team and Shannon, in the semi-final of the Limerick Junior Cup. Venue, Thomond Park, on Sunday next. Kick-off, 3.30.

DROMCOLLOGHER WHIST DRIVE
