HELP FOR PORT AUTHORITIES

It was stated at a meeting of the Alway Harbour Board that the Department of Industry and Commerce had under consideration the question of giving financial aid for Irish harbours.

the Manager said he would arrange to have this done.

TRANSFER OF GARDA SERGEANT

The transfer of Sergeant M. Parsons, G.S., from Foynes, where he had been stationed for the past 14 months, has occasioned genuine regret in the town and district (writes our Foynes correspondent). A courteous and capable officer, Sergeant Parsons was popular with all classes. He was keenly interested in the organisation of the L.S.F., and the members of the Foynes Branch, at a special meeting on the night before his departure, arranged a fitting tribute to him, in appreciation of his services. He was also an enthusiastic member of the Foynes Gun Club. Sergeant Parsons, who has been promoted to Headquarters, Dublin, has been replaced by Sergeant Mullaney, who comes from Ballickmoylan, Co. Leix.
