the corporation, requesting that the
strike period in the case of em-
ployees of the Cleansing Depart-
ment should be treated as holiday
period.

The Mayor said that there was
one point that members should bear
in mind, namely, that the pump
men were withdrawn during the
strike, thereby endangering the
sanitary condition of 400 houses.

It was explained that **Ald. Bourke**
had made representations to the
Department on behalf of those
affected and his representations
were under consideration.

The discussion then ended.
Councillor **Hartney** alluded to the
People's Park and said that it was
going to ruin for want of a gard-
ener to tend it.
It was decided to advertise for a
qualified gardener.

try Zam-Buk? This grand he
ointment will soon make the feet
healthy and comfortable again.

Start this simple nightly treat-
ment. First, bathe feet in warm
water and dry thoroughly. Then
rub Zam-Buk into the soles, ankles,
insteps and between toes. This
is wonderfully soothing for tired,
aching feet, or swollen ankles.

Zam-Buk is also the perfect antiseptic
healer for sore, blistered feet and it softens
and helps to remove corns and callouses.
Feet will never let you down if you use
Zam-Buk regularly.
