MR. P. WHELAN, JANESBORO'

The funeral of the late Mr. Patrick Whelan, 13 Colbert Avenue, Janesboro', Limerick, took place last Sunday from Mary, Queen of Peace Church to Mount St. Lawrence Cemetery. He was second son of the late Michael and Mrs. Whelan, Caledonian Place, Limerick, and spent nearly all his working life in the Loco. Department, G.S.R. Not enjoying good health for some months back, the deceased passed peacefully away, fortified by the last rites of Holy Church, on Friday, October 13th. He was father of Rev. L. Whelan, C.S.Sp., Kimmage, Dublin, and uncle of Rev. J. Whelan, C.S.Sp., D.D., Nigeria; Rev. B. Whelan, O.P., S.T.L., Trinidad; Rev. M. Whelan, O.P., and Rev. D. Whelan, O.P., Tallaght, Dublin; Rev. Sister Patricia, O.P., and Rev. Sister Imelda, O.P., Hertford, Herts, England.

The following clergy were present:— Rev. Father Rice, P.P., Donoughmore; Rev. Father Lee, P.P., St. Mary's; Rev. Father Wall, C.C.; Rev. Father Daniel, O.F.M.; Rev. Father Maurice, O.F.M.; Rev. Father Carter, C.S.Sp.; Rev. Father O'Neill, C.S.Sp., and Rev. Father F. McMahon, C.S.Sp.

The chief mourners were:— Rev. L. Whelan, C.S.Sp.; Patrick, James and Gerard Whelan (sons), Mrs. M. Benn (daughter), Michael and Wm. Whelan (brothers), Matthew Benn (son-in-law), Mrs. P. Whelan (daughter-in-law), Mrs. W. Whelan (sister-in-law).

Numerous Mass cards and messages of sympathy were received from relatives and a large circle of friends.

MISS MARY E. O'CONNELL, CASTLEFARM, HOSPITAL.

Her very many friends learn with deep regret of the death of Miss Mary E. O'Connell, Castlefarm, Hospital. The late Miss O'Connell, who was a member of an old and highly-respected East Limerick family, was very popular over a wide area, and her demise, which occurred after a rather prolonged illness, has evoked widespread sympathy. Her remains were conveyed to Hospital Parish Church, accompanied by a large congregation of mourners and

five points to the good on the 3-3 to 2-1. It was a fine achievement on the part of the city who were in no way favoured existing conditions. They were much lighter side than their opponents, a factor which told the final stages, when weight size began to take effect. But Sarsfield lads held on spiritedly their early advantage and ran comfortable winners. O'Connell, Copely, Cusack, Sheehan, Ga O'Shea played a big part in victory, while O'Connell, Sheehan and Ahearne tried for the losers. P. Brennan (Keale) refereed.

Dr. Keane Cup.

In the Dr. Keane Cup school hurling trophy, at the C.B.S. Grounds, on Saturday, St. John's put in a great finish to snatch the verdict from C.B.S. a decisive margin.

Harty Cup Test.

To-morrow (Thursday) at Gaelic Field, C.B.S. (Limerick) will go out against Charleville C.B.S. in the first round of the Dr. Harty Cup senior schools hurling competition. The Limerick school has a proud record in the list of Harty Cup winners and we can hear of the outstanding teams which did duty in the past and of brilliant hurlers afterwards who became stars, who first earned recognition in this famed competition. To win a Harty Cup medal is the ambition of every Munster schools hurler. The All-Ireland trophy is the triumph of a county player's career.

Of late years the Limerick school has fallen on a lean period, and age and weight a big disadvantage with them. After a year or two of team building the present first team have reached a high standard and should figure prominently in this season's campaign. They defeated Charleville in the 1943 competition by a wide margin and are confidently expected to repeat their performance to-morrow. The match will commence at 2.30 p.m.
