### WEEKLY DAIRY MARKET.

Tuesday, November 14th—Numbers on sale well up to last Tuesday's register, with a large proportion of dairy cows. The entry included some high grade as well as useful and promising cows and heifers; the largest and most representative attendance of buyers for some time; shipping interests operating freely. Business opened with marked activity and enquiry. Choice cows and heifers with size, substance and quality met sharp competition, with a free and easy exchange. Plenty of buyers for promising cows and heifers, and lots meeting requirements were readily bid for; no difficulty in exchange for the right stamp; trade for secondary cows and heifers better than recent markets. Substantial turnover, and market almost cleared; supply not sufficient for demand. Top price for dairy cows was obtained by Mr. Thomas Hogan, Rahahine, Newmarket-on-Fergus, at £40, and top price for in-calf heifers went to Mr. Denis Hallinan, Coolshamrock, Quin, at £41. Dairy cows, best, £34 to £40; promising, £28 to £33; ordinary, £24 to £27; in-calf heifers, choice, £34 to £41; promising, £28 to £32; ordinary, £20 to £25.—Wm. B. Fitt & Co., Auctioneers.
