Mummy could have stopped that cold running through the family if she'd only known that most chemists now keep a wonderful old recipe all made up ready for use. It is known as the 'Parmint' recipe and one dose of this Parmint Syrup will nip practically any cold in the bud right away.

Besides, Parmint Syrup has the great advantage that kiddies like the taste. So they take it readily. And it's just as good for grown-ups.

Be wise. Get a bottle of Parmint Syrup from your chemist to-day and keep it handy. 1/6d. the bottle.

OBITUARY

—oo—

MR. R. O'SULLIVAN, MAIN ST., NEWPORT.

It is with very deep regret we chronicle the death of Mr. Richard O'Sullivan, Main Street, Newport, which took place recently at his residence. During his lifetime the deceased enjoyed the goodwill of everyone in the community, irrespective of class or creed. He was a well-disposed and kindly gentleman, and his sympathetic and charitable nature is remembered with gratitude by many in the parish of Newport. During the past few years he had been in indifferent health but it was hoped that, by the careful treatment he was receiving, his life would be prolonged for some time to come. Deceased leaves a widow and family to mourn his loss. The remains were removed to Newport Parish Church and after Requiem Office and High Mass the funeral took place to Killmastulla Cemetery. The vast cortege that accompanied the remains was but a worthy tribute to the memory of deceased.
