

# Death of Mr M. C. Keating

---

The death occurred at his residence, 23 Charlotte Quay, on Saturday morning, of Mr Maurice C Keating, after a protracted illness. Deceased, prior to his illness, was employed at the Limerick Steamship Co as chief shipping clerk for the North German Lloyd Line. He was a well known and popular citizen and his death at an early age is deeply regretted. Much sympathy is extended to his family, who have suffered a double bereavement as the result of the unexpected death of his sister—Miss Kitty Keating—three weeks ago.
