

Young Lad's Sad Death

A ten year old boy named Gerard Dooley, son of Mr Thomas and Mr M Dooley, N.T., Castle street, Roscrea, died at the District Hospital, as a result of injuries sustained in a motor car crash at Mount-butler, three miles from Roscrea. The boy was riding a lady's cycle and was rounding a bend from a side road, on the main Cork-Dublin road, on Saturday, when the accident took place. Three nuns of the Sacred Heart of Jesus Convent, Roscrea, who were in the car, had a miraculous escape when the car plunged over a wall and zig-zagged round a tree in an adjoining field before coming to standstill.
