

MAKE UP YOUR LIVER BILE

at Calemel—and you'll jump out of the morning full of vim and vigour

should pour out two pints of liquid your bowels daily. If this bile is not freely, your food doesn't digest. It just clogs the bowels. Gas bloats up you. You get constipated. Your whole system is poisoned and you feel sour, sunk, and look punk.

They help a little, but a mere bowel movement doesn't get at the cause. It takes old Carters Little Liver Pills to get a pint of bile flowing freely and make "up and on." Harmless, gentle, yet in making bile flow freely. Ask for Little Liver Pills. Stubbornly refuse when you need them.

Crescent kept their opponents pinned in their territory for most of the first half, when the Mungret line had several narrow shaves, particularly when O'Dea broke through and crossed for what looked like a score, but apparently lost the ball when over the line. Then Byrne and O'Dea had several shots at penalty goals, all of which failed to find the mark.

Playing against a stiff wind in the second period, Crescent kept up the pressure, but were unable, as in the first half, to pierce a solid defence. Byrne got one golden opportunity to clinch the issue ten minutes from time, when his side was awarded a penalty on the twenty-five, dead in front of the posts, but his effort fell short. Dignam (Mungret) also had his opportunity with a similar effort, which went the way of the others.

Referee, Mr. W. W. Stokes.

12th BATTALION

GAMES IN HURLING LEAGUE

The first round of the 12th Battalion Hurling League was played between Doonass and Parteen on Wednesday, 7th inst., at the Military Sports Field, Castleconnell.

Doonass, short of C/S. Hogan and Vol. Clancy, beat a good team from Parteen, who were short of C.Q.M.S. Clifford, "Scorchy" McGrath and Vol. Fitzell. Final score—Doonass, 3-1; Parteen, 2-1. Scorers for the winners were Vol. Murray, Cpl. McKenna and Cpl. Bernie. For the losers, Cpl. Shaw, Sgt. Jones and Pte. Davis.

It was a hard, clean, well fought game, and a goal in the last minute gave victory to Doonass, but it was a near thing for Capt. Grogan's men.

Referee, Sgt. Mick O'Grady.

The second round, between Coolbawn and Tonteins, was played on Wednesday 14th. The atmosphere was electrical, as those two rivals lined out for the local "Derby," and much good humoured banter came from the respective followers lining the side lines.

In a clean and well-contested game Tonteins emerged fairly comfortable victors, but on the run of the play they did not deserve to win by such a margin, as Coolbawn contested every minute of the game. A feature of the play was the "sharp shooting" of Vol. "Danno" Feely for the winners. "Danno," incidentally, is a son of the famous Mick Feely of Croom and Limerick fame.

Scorers for the winners were:—Feely (4 goals 1 point), Delea (1 goal), Driscoll Brothers (2 goals), Conroy (3 points), Lynch (1 point), O'Mahony (1 point).

Scorers for Coolbawn were:—Lieut. Doyle (1 goal), Connolly (1 goal), Maher, (1 goal), Shaw (2 pts.)

Final score—Tonteins, 7 goals 6 points; Coolbawn, 3 goals 2 points.

Capt. Grogan, Doonass, acted as referee.

our hurlers. We must not find too much fault with our Northern Gaels, as they have had an extremely uphill fight and our Limerick hurlers hope to go North in April to help those fine Gaels to improve or secure a better pitch than the present Park.

Our Own Pitch.

Whatever drawback is experienced at our own Grounds, any fault cannot be found with our splendid pitch. It is nearly in the same class as the great Thurles pitch, so when Galway pay us the next visit they cannot find any fault with this playable pitch, as on a former occasion.

Objections.

Every Gael must agree with M. Butler (Dublin captain) objecting to an unplayable pitch, and also with the Limerick team not agreeing to play extra time on a badly potted pitch. There is no test of any team on bad pitches. It is all poke and pull and far more poke than pull. No hurling in such experiences.

Our League.

The first game in our League comes off next Sunday at Nenagh at 3 o'clock between Tipperary and Clare. Our prospective hurlers for the county team should be doing a bit of practice. On the 25th inst. they meet Clare at Ennis. I expect the Ahane selectors have notified them.

LINK WITH THE LAND LEAGUE

The death took place during the week, at an advanced age, of Mrs. Patrick Griffin, Glenagragga, Glin. She was widow of Mr. Patrick Griffin, who was a prominent member of the Land League in 1881. The late Mr. Griffin was a member of an old Clare family settled in Glin district for close on a century. The late James F. Moloney was secretary and Messrs. Stephen and James Pegum treasurers of the first Land League Committee in Glin in 1881.

PRINTED COTTONS FROM SOUTH AMERICA, in Beautiful Colours, for Curtains, Loose Covers, etc., at TODD'S (Limerick).

Some papers on various subjects will be read and discussions made in French. At the next meeting, it is hoped to have an address from a French speaker.

Many good suggestions were forwarded for the running of coming meetings, such as gramophone records in French, accompanied text books, in which spoken conversations may easily be followed. Also a short question time in French, which should prove amusing. One item of the next meeting will be the reading of a favourite poem, preferably a sonnet, or something very brief, chosen by each member, and read aloud by him with a brief resume of the poem's work and life in French. If enterprising members feel moved to turn the poem into a verse translation so much the better. Later when the Cercle francophone comes really fluent and full confidence it may feel emboldened to undertake the study of the great French classics of Racine, Corneille, Moliere, etc. but for the moment it is confined its efforts to the promotion of modern French conversation and the reading of modern French books. There are so many delightful authors with whom to make friends: Alphonse Daudet, Louis Pergaud, Guy de Maupassant, George Sand, Henri Bordeaux, etc.

The French Cercle extends sincere gratitude to Mr. Staehl without whose practical help and very kind encouragement it would not have ventured into existence.

From Ois happy beginning it is hoped that the Cercle francophone will grow and flourish and become really useful and delightful centre for all those citizens who love France.

GLUN NA BUADHIE

"An Caidhreamh" will hold an opening meeting at 8.15 on Monday next, February 19th (writes a correspondent). A paper, entitled "Beatha agus Killochach Eogh Ruadh O Suilbhean," will be read by D. O Guille. "An Caidhreamh" is a literary study circle, the members of which read a short paper on Gaelic poets or authors, periods and figures in Irish history, or an interesting subject. After each paper a short discussion on the paper will take place. It speaks well for the promoters that the papers already chosen extend over two months. Membership is open to all Gaelgeoiri, and members of An Glun is not obligatory.

An impromptu debate will be held on Sunday next at 8.30.

Commencing on Thursday, February 22nd, a series of lectures entitled, "Music," with records, will be given by D. O Dubhgaill and P. O Maidin. These will be continued on the 1st and 8th of March. Sean Mac Ailistear has been provisionally elected ceannaire.
