...with no visible means of doing so. A further appeal on behalf of the workers, it is stated, has been made to the authorities and it is ardently hoped this will meet with their approval.

ABBEYFEALE ANNUAL WHIST DRIVE

Despite inclement weather, there was a good attendance of patrons at St. Ita's Hall, Abbeyfeale, when the annual Easter whist drive took place. Mrs. J. Collins, N.T., St. Ita's Terrace, won first prize in the ladies' section, and Miss Patsy Ambrose, Main Street, second. Guard Connolly won first prize in the men's section and Mr. P. Colbert, G.S. Railway, Mountmahon, second. Dr. Ed. Harnett was M.C., and the drive being for a worthy parochial object the Rev. J. Halpin, C.C., thanked all who attended.

however, who are not doing as much as they could and should. We refer to those who have gardens in or near the cities and towns or are in a position to take and till allotted plots in urban areas an enormous addition can be made to the country's food supply. The importance of what is possible in this connection does not seem to be widely and fully realised. A very small piece of ground can produce a sufficiency and a wide variety of fresh vegetables practically all the year round for even a big family. From the points of view of economy, health and security therefore, few forms of activity can be more valuable than that entailed in following the wholesome advice given by Mr. O'Carroll, our well-known gardening expert.
