MRS. MARGARET BUSTON

Deep and widespread regret has
been caused in Foynes and dis-
trict by the death of Mrs. Mar-
garet Buston, who passed away in
Croom County Hospital on Friday,
August 3rd. Deceased had been in
good health up to the day before
her death—the suddenness of which
came as a great shock to her
family and the public in general.
Of a very kind and generous dis-
position, deceased was very popu-
lar and highly esteemed by all
classes. To her bereaved husband,
family and other relatives sincer-
est sympathy is extended on their
very sad bereavement.

The chief mourners were—
Patrick Buston (husband), Kitty
Margaret and Mrs. Hynes
(daughters), Michael (son), James
Bourke (uncle).

Mass cards were received from
the following:—Mrs. Hynes and
family; Brenda and Mary Griffin;
Christina Leahy; John Liston and
family; the Culhane family; Lizzie
and Jim Fitzsimons; the Barron
family; Miss Ellie Walsh; Nora,
Cecilia, Nan, Nan, Mary, Babe;
James Bourke and family; Willie
and Michael Leahy; Phil, Paddy,
Teddy, Tommy, Jack, Arthur and
Michael; Charles O'Malley and
family; the Halett family; Maudie,
Mary, Moll, Mary, Nancy, Mary,
Jane and Mary; Joe and Bridie
Monaghan and family; the Gore
family; the Roland family; M.
R. Conway, J. Mulqueen, B.
Griffin and N. O'Reilly; Mrs.
Mary Madigan and family;
Dan and Mary Costelloe; Bridie
and Michael Hannigan; Norah and
Bridie Foley; Jim, Josie and
family; Willie and Kitty Liston;
Bridie Danagher; Mr. and Mrs. J.
O'Brien and family; Mary,
Maudie, Mary, Nancy and Jane.

An outbreak of foot-and-mouth
disease has been confirmed at
Heywood, Lancs., Engand. The
usual precautions have been taken.

dant raised his stick to him.
Accused said he had been
ling the South of Ireland for
years and had credit account
many leading establishments
cities and big towns. He had
been held up by the R.I.C. or
until this occasion. Garda
had examined his licence abo
20th of July.

The Justice interrupted
dant's evidence to ask if there

**FOUND THE PERFECT
REMEDY AT LAST**

**After Years of Suffering
with Indigestion**

Confined to bed with heart trouble
this ex-soldier was also liable
severe attacks of indigestion
was not until early 1940 that
found the "perfect" remedy
this complaint. This is what
says about it:—

"I am a bed-ridden ex-service
of the last war, suffering
heart trouble as a result of a
service. I have also for many y
been liable to severe attacks
indigestion. Before taking to
bed in 1939, I had, during the y
tested pretty well every diges
remedy on the market. Early
1940 I tried Digestif Rennie tal
and found the perfect remedy
last. Rennies are a real friend
need, especially as my do
warned me that in my condit
flatulence was my greatest ene
—B. S.

Digestif Rennies work in th
ways. They contain antacids wh
neutralise acidity, absorbents wh
reduce stomach gas, and diges
ferments which actively aid di
tion. Rennies dissolve in the mo
They become active at once,
