Detroit, Chicago and Rochester.

Arriving home, the group enjoyed  
the salmon they had caught only  
days before some 1,000 miles away.

## DEATH OF MRS. A O'KEEFFE

With much regret we announce  
the death, which occurred in Lime-  
rick during the week, of Mrs. Annie  
O'Keeffe, widow of Mr. John  
O'Keeffe, ex-Stationmaster, Great  
Southern Railways. The deceased  
lady was mother of Mr. James  
O'Keeffe, Manager of the Limerick  
Steamship Company and President  
of Limerick Chamber of Commerce,  
and of Mrs. Moody, wife of Mr. T.  
Moody, one of Limerick's best-  
known provision merchants. The  
late Mrs. O'Keeffe had reached an  
advanced age. She was a lady of  
quiet and charming character and  
deeply religious, and charitable to a  
marked degree. Her death will be  
learned with general regret in the  
city, where a long residence,  
coupled with fine personal traits,  
gained for her a large circle of  
friends. The funeral, which took  
place yesterday to Mount St.  
Lawrence Cemetery, was of very  
large proportions, and included the  
Mayor, members of the Corporation,  
Chamber of Commerce, and repre-  
sentatives of many business and  
professional interests.

At a meeting of Limerick Corpora-  
tion on Tuesday night, a vote of  
sympathy with Mr. O'Keeffe and  
the other bereaved relatives was  
passed.

## CEILIDHE DANCING

Ceilidhe dances at Herbertstown  
(writes our Hospital correspondent)  
are becoming more and more  
popular and the attendances at the  
local Hall are gradually becoming  
larger. On Sunday night last the  
number of patrons present was the
