### From "Old Green Flag."

At Staker Wallace Park, Elton,  
last Sunday, Knocklong Stars de-  
feated Kilfinane Emmets in the  
semi-final of this year's South Lime-  
rick hurling championship. The  
match was one of the best ever  
played in the Staker Wallace Park,  
and the big crowd of spectators  
were wild with excitement to the  
final whistle. Knocklong played a  
wonderful game. They played with  
great dash and determination.  
Their long pucks and speed brought  
victory to the historic station. Kili-  
finane Emmets played their usual  
stylish game, but last year's South  
Limerick champions went down  
fighting a good honourable game—  
right good gallant sportsmen. Mr.  
T. Flavin, Fedamore, gave general  
satisfaction as referee.

It is proposed to make improve-  
ments in the Staker Wallace Park,  
Elton. Athletic and cycling sports  
will be held at an early date in aid  
of the improvements. The pitch is  
a beautiful one, and if the public  
give suport this park will make a  
beautiful venue for most important  
matches and other sporting events.
