The class on sale was of a good average description, including some promising dairy cows and heifers, and a few outstanding lots. Strong attendance of buyers wanting the best. Trade for promising lots was steady, and in the case of cows or heifers showing milking qualities prices were firm around last Tuesday's rates. Dairy proprietors wanting cows and heifers with quality and substance, and for this class there is brisk demand and sharp competition; full current rates. We miss her when we need a friend;

 Oh, mother, how we long for you.

 What can we do, but pray for you,  
 And say—"God's Will be done."
