### DEATH OF POPULAR FOYNES MAN

By the death of Mr. Leo Finucane, which took place at his residence, Ardineer, Foynes, recently, this district has lost one of its most popular and highly esteemed inhabitants (writes our Foynes correspondent). The deceased was for many years connected with the fishing industry and local harbour, and had many friends not only in this district, but all over the county. The large attendance at the funeral was evidence of the esteem in which he was held. Very deep sympathy is tendered to his widow, brothers and relatives.
