

## ACCOUNTANCY COURSES.

As may be seen from our advertising columns, arrangements will be completed on Friday night next for the formation of Intermediate and Final Accountancy and Secretarial Courses in the City Technical Institute. These courses are an innovation in the curriculum of the Technical Institute, and are worthy of every support. The venture was a decided success last year, and it is hoped that those interested will avail of the special educational facilities incorporated in these courses. To facilitate final arrangements re-formation of the different classes, it is hoped that all intending students will be present at Technical Institute on Friday night next, the 28th inst., at 7.30.
