BOY'S DEATH

HURLING ACCIDENT PROVES FATAL

An eighteen-year-old youth, Mossy White, son of Mr. Patrick White, Relieving Officer, Charleville, received an accidental blow from a hurley during a school practice game on Thursday last. He was removed to the North Infirmary Cork, where he died last evening. A keen and enthusiastic G.A.A. supporter, he had intended to make the journey to Cork to see the county football final yesterday.

ACTION FOR £300

Mrs. Emily Millar, Cloughleigh, a wardmaid employed at the Clare County Home, sued Mrs. Bridget Tierney, Dromcliffe, and her daughter, Miss Frances Tierney, at the Clare Circuit Court, for £300 damages for personal injuries. She alleged that when walking home on the left hand side of the road a pony and trap owned by Mrs. Tierney and driven by Miss Tierney came behind her, knocked her down and "nearly crushed her to death." The defence was a denial of negligence and a plea of contributory negligence. The case was dismissed.

THE HUMAN TOUCH.

When a Civic Guard was taking a prisoner through the streets of Ennis on Friday (writes our Ennis correspondent) he produced a packet of cigarettes and handed one to the prisoner, who eagerly accepted it. The Guard then took out a box of matches and tendered them to the prisoner, who lighted the cigarette and, puffing contentedly, marched on his way to the County Courthouse.
