DEATH OF MRS. ALICE FLYNN

It is with deep regret that we chronicle the demise of Mrs. Alice Flynn, proprietress, Cruise's Royal Hotel, Limerick, which took place yesterday after a long illness. The deceased lady, relict of the late Mr. James Flynn, a former High Sheriff of Limerick, had reached an advanced age. For over sixty years she was connected with the hotel business and was known by travellers, not only from all parts of Ireland, but from Great Britain as well. In 1928 she transferred the management of the hotel to her daughter, Mrs. T. A. Murphy, who has conducted it with marked ability.

The late Mrs. Flynn was a lady of many charming characteristics and older generations of citizens will recall her many activities in the cause of deserving charities. To her daughter and other members of the family sincere sympathy will be extended in their bereavement.
