USED

In reply to Ennis Progress Com-
mittee's complaint about the chang-
ing of Ennis bus stop from
Darcy's corner to the local Railway
Station, a letter has been received
from Mr. J. B. Martin, Manager of
the Road Passenger Section, Coras
Iompair Eireann, stating that "it
is the intention of the Company
generally to transfer, where prac-
ticable, the agency or recognised
stopping place in provincial towns
to the Railway Station."

"The Company has in mind,"
added the letter, "the provision of
better amenities at the principal
stopping places throughout the
country, and it is intended to pro-
vide adequate cloakroom and toilet
accommodation, etc., which will be
under direct control of its own
officials, to meet the needs of long-
distance travellers. As most of our
Railway Stations can be readily
adapted to our requirements, we
will, in future, discontinue the use
of publichouses and such establish-
ments as official stopping places."

DEATH OF EX-BANDSMAN

The death has taken place at his
residence, Clarecastle, of Mr. Peter
Dillon, former member of the
Boherbuoy Band, Limerick. Son of
the late George Dillon, a noted
euphonium player in the same com-
bination, he was a member of a
very musical family, all of whom
were intimately connected with the
Boherbuoy Band.
