### SOCIAL FUNCTION AT GLIN

On Saturday night (writes our  
Glin correspondent) a most enjoy-  
able social function took place at  
Conway's Hotel. It was carried out  
by the L.S.F. Group in connection  
with its disbandment.

Sergeant McKeon, G.S., Glin, pre-  
sided. He had been instrumental  
in forwarding the Force, and at  
great trouble and inconvenience  
helped to make it so successful  
during the emergency.

An excellent supper was provided  
by Miss Casey, manageress, who  
with her usual capability, did the  
needful to all present to make  
them comfortable, as did the pro-  
prietor, Mr. Patrick Conway, who,  
in addition, presided at the piano,  
when songs were sung and dances  
carried out.

The following members of the  
L.S.F. Group were present and  
thoroughly enjoyed themselves:—  
Messrs. Michael Mangan, William  
Dillane, Tim McGrath, Squad Lead-  
ers; Michael Culhane and James  
O'Connor, Section Leaders; G.  
Dillane, P. Wallace, Wm. Sweeney,  
J. O'Connor, P. Wallace, P. Collopy,  
T. Thompson, P. Hennessey, J. Cus-  
sen, T. O'Sullivan.

A vote of thanks was passed un-  
animously to Sergeant McKeon for  
his services during the emergency,  
and to Mr. Conway for his kindness  
in supplying the music.

### FOUND DEAD IN BED

John Downey (58), of Rhebogue,  
Limerick, a well-known farmer,  
was found dead in bed this morn-  
ing. Deceased, who was unmarried,  
lived with his sister. An inquest  
was not deemed necessary as  
death was due to natural causes.

### TRANSFER OF CIVIC GUARD.

Garda C. McDermott (writes our  
Athea correspondent) was recently  
transferred from here to Kiltormer,  
Co. Galway. During his term in  
the town for the past six years, he  
always discharged his duties effi-  
ciently and impartially, and he  
carries with him the best wishes of  
the people of the district. He is  
replaced by Garda T. O'Brien, who  
was formerly stationed at Kill-  
argue, Co. Leitrim.

Products, Ltd., Dock Road, Limer-  
rick, which is now about to enter  
its fourth week.

The Chairman of the Company,  
Mr. Plunkett-Dillon, solicitor, was  
in the city in connection with the  
dispute, and in certain quarters it  
is believed that developments will  
take place early next week.

### GOLDEN JUBILEE.

Mr. and Mrs. Stephen Danaher  
of Shanagolden, who are natives of  
Athea—being both members of well-  
known local families—celebrated  
the golden jubilee of their wedding  
last week (writes our Athea cor-  
respondent). Their many local  
friends extend to them their cor-  
dial congratulations on the happy  
occasion.

### MORE LIGHT NEEDED.

Nothing has since been done to  
improve the position of public light-  
ing in Dromcollogher (writes our  
correspondent there), and with  
mid-winter conditions prevailing, it  
certainly has a very dismal appear-  
ance at night. Less than a half-  
dozen extra lamps would meet the  
case, and the sooner that the mat-  
ter is attended to the better.

### READY RESPONSE TO CHURCH APPEALS.

The appeals from the local clergy  
to put the local graveyard in re-  
pair has met with a very ready re-  
sponse (writes our Dromcollogher  
correspondent). All during the  
week workmen were engaged at  
the work, and the condition of the  
graveyard is now as good as could  
be expected.

### PLYWOOD INSTEAD OF GLASS

One of five motor offences charged  
at Dromcollogher Court by Garda  
P. Alward against Patrick Mur-  
rihy, Feenagh, was that of having  
plywood instead of glass on the cab  
of a lorry, as a result of which his  
vision of vehicles and pedestrians  
on the left side of the road was  
obscured. The other charges were  
of having only one light and ones  
in reference to identification marks.  
On each of the five summonses de-  
fendant was fined 2/6.

### KILKEE WANTS AN AIRFIELD

The Kilkee Town Commissioners  
passed a resolution requesting the  
Irish Tourist Board to incorporate  
an airfield in their general devel-  
opment schemes for Kilkee.
