TWO ARRESTS

—oo—

FOLLOW AN INQUEST

Following an inquest at Cappawhite, Co. Tipperary, on Saturday evening, on Thomas Woods, Glassdrum, Cappawhite, two arrests were effected.

Woods, aged 40, was a carter employed by South Tipperary Co. Council. He died on Friday afternoon last following injuries alleged to have been received after a local dance on the morning of 25th November.

At the inquest Dr. McGrath, State Pathologist, stated that the cause of death was coma, following abscess of the brain, resulting from inflammation, following a depressed fracture of the skull. The fracture was caused by violent impact with a somewhat pointed but blunt object.

In answer to Supt. Ward, the witness said that the injuries behind the left ear would be consistent with a deceased having been struck by a stone.

Dr. Hickey, Cappawhite, corroborated.

Supt. Ward asked for an adjournment as there would be proceedings in another court.

The foreman (Mr. James Timony) acceding, the adjournment was granted.

Some hours after the inquest, Supt. Ward arrested two young brothers, natives of Foilmacduff, Hollyford, Co. Tipperary, and farmer's sons, on a charge of the wilful murder of Woods. The accused men are Sean O'Dwyer (24), of Kilmoyler, Cahir, and Denis O'Dwyer (20), of Foilaclug, Cappawhite.

They were remanded in custody to Tipperary District Court on Tuesday next.

DEATH.

DUHAN—On November 30, 1945, at her residence, 12 Wolfe Tone St. Limerick, Johanna, beloved wife of John Duhan. Deeply regretted. R.I.P. Funeral from St. Michael's Church postponed until to-morrow (Tuesday) at 3 p.m. to Mount St. Lawrence Cemetery.

area was cleverly tapped over to McLoughlin, who returned it to Darcy, but the ball appeared to be punched through by the latter for the lead. Immediately afterwards beautiful play by the home forwards gave Barlowe possession, and Darcy hit the ball to the net from the winger's pass. The score was surprisingly disallowed. Then, from a doubtful corner, Curtin beat Tierney for the equaliser. McMahon brought off a number of great saves from Barlowe, Byrne, and one from McCourt's header. There was a narrow escape for the homesters when Coady slipped by Duffy, and from his centre McCann missed contact of the ball with an open goal in front of him. At the other end McMahon made another great clearance from a lengthy but speedy drive from Venner. Then Darcy had the ball in the back of the visiting net again, this time from Byrne's flick, but the goal was disallowed. When a free kick near the penalty area was given to the visitors when the crowd thought the decision should be reversed, it evoked disapproval. The deciding score came in weird fashion. Keane endeavouring to get the ball under control was to all intents and purposes infringed by Curtin, but the centre-forward was allowed to career away with the ball, which was finally crossed to McCann, who scored. McMahon was bundled over the line, but the score was not given. It was a tantalising finish for the home contingent.

THE LINE-OUT.

Limerick—Tierney; Holman and Duffy; Reddick, Keane and McLoughlin; Barlowe, McCourt, Byrne, Darcy and Venner.

Waterford—McMahon; Wall and Hartery; Gallaghy, Turner, McCreevy; Coady, Sergeant, Curtin, Cronin and McCann.
