Replying to a resolution passed at a recent meeting of the Council, a letter was read from Bus Transport Section of C.I.E., stating that bus signs would be erected in the city when materials became available.

Pursuant to notice, Mr. McGuire moved the following motion:—
“That in order to facilitate the residents of the Prospect district, who would be put to great hardship by the closing of the Prospect-O’Connell Avenue passage, this Council take the necessary steps to acquire, by negotiations if possible, the strip of garden running alongside Osma House and so provide both a carriageway and passage.”

Mr. Connery seconded the motion and it was passed unanimously.
