

Again Remanded

Sequel to Infant's Death

Special Court at Adare

Eily Quaid (18), of Bishop street, Newcastle West, Co. Limerick, was at special Court at Adare before O S Kenoy, D J, charged with the murder of her two-year old child, Mary Terera Quaid, between the 18th and 23rd December. The charge was a sequel to the discovery on Sunday of the dead body of a child concealed under two sacks in an outhouse at the rear of the accused's home.

Accused had been previously remanded in custody from a special court.

Supt McKenna, who appeared for the State, applied for a further remand in custody pending the completion of investigations.

Mr M V Fitzgerald, B L, who appeared for accused, did not object and the accused was remanded in custody to a further special court at Adare on Monday, 7th January.
