Death of Miss M. J. Coffey

The death occurred at the County Infirmary, Limerick, of Miss Margaret J Coffey, who resided with her sister, Mrs R Enright, at World's End, Castleconnell. A member of one of the oldest and most popular North Tipperary families, she was a lady of many charming parts and was held in high esteem and her demise has caused widespread regret. She was sister of the late Mr Edward Coffey, solicitor, who was for many years Law Adviser to the Limerick County Council and Fishery Board, and of the late Mr James Coffey, solr, and Coroner for North Tipperary and Law Agent to the Limerick Harbour Board
