

Limerickman Dies in U.S.A.

Mr Joseph Gilligan, of 5304 Kenwood Avenue Illinois, whose death is announced, was son of the late Inspector John Gilligan, of the old Limerick City Night Watch. Before his emigration to the States some 40 years ago, deceased was a very popular citizen. The late Mr Gilligan married Miss Mary B Fagan, also a member of a well-known Limerick family. Following Requiem High Mass in the Church of St Thomas the Apostle, the interment took place in St Mary's Cemetery in the presence of a congregation which was both large and representative, and was a fine tribute to the memory of the deceased.
